## DAVIDE FREGONESE Barolo Cerretta DOCG 2014

**Wine Advocate**

**April 2019**

“The 2014 Barolo Cerretta shows a softer, more floral side compared to the Barolo Prapò. You get pronounced aromas of rose hip, dried violet and wild berry. The wine is silky and smooth with integrated tannins. Of the two wines, this one strikes me as slightly more immediate and accessible .”
